

**Ram Track and Field  
Presents the 15th Annual**

**FUTURE TRACK  
STARS CAMP 2017**

MAJOR RESTRUCTURING!! As always, for K-6 students, we will be providing an opportunity to try all things track and field – instructed by our HS athletes and overseen by our HS coaching staff. New this year will be targeted instruction for our MS track athletes. Our athletes and coaches will spend time working with these athletes just on the events they do for the MS. Whatever the age or background, track camp is a great place to learn about track and field, meet some great kids and have a great time running, jumping and throwing stuff.
