**Superintendent/Board Goals**

**Superintendent Goals**

- 1) Pass Bond Issue in February, 2017.
- 2) Successful 1-1 Initiative Launch in August, January, and August.
- 3) Successful **ENGAGE** - Blended Learning Initiative.

**Board Goals**

- 4) Financial Goal- Program review of all non-contractual financial initiatives. Cost/Benefit Analysis of all programs in order to validate efficiency and effectiveness.
- 5) STEM to STEAM- What are we doing to integrate the Arts with STEM Program. Possible CTE funding for the Arts 9-12, and perhaps 7-8. Arts Focus.
- 6) Bullying/Harassment and Behavior Consistency of Program - Grades K-8 a consistent building-wide discipline and bullying program.
- 7) Study Contact Time - ways to minimize loss of contact time. Break down building by building and level by level on what areas are responsible for loss of contact time. Interruptions to the regular schedule.
- 8) Examination of Special Education Funding - How it is funded? Examination of how we spend \$\$? How are we spending discretionary Special Education funds? If we reduced indirect spending \$95,000 would we qualify for Safety Net? Use indirect account like a flexible account that can be spent if needed.
- 9) Superintendent Evaluation Model - Blending of two models as approved. Mike will provide a springboard proposal for Board to develop.
- 10) 4A Athletic Commitment = Staff coaching staffs equally to other schools in the Big Nine Conference. Research ASB Funding of each sport and all extracurricular activities.
