

## Our Mission

*“The mission of the West Valley School District, a vital partner in a proud and caring community, is to ensure that all students achieve their highest level of knowledge, skills and attitudes necessary to be responsible and productive citizens, effective communicators, creative problem solvers and life-long learners. Through mutual support and the combined efforts of our families, schools and community we will provide a safe, high quality learning environment in which each student experiences success every day.”*

### Dress Code:

Inappropriate clothing creates a hostile work environment for our employees. The “work” of our students is to get an education. Dressing appropriately for the job is a step in helping create the atmosphere for developing *“responsible and productive citizens, effective communicators, creative problem solvers and life-long learners.”*
