

Name: _____ Date: _____

Mr. Freeze's Science Extra Credit
Science World Magazine Article

Read a main feature (one of the big articles, not a small single page one) in any Science World Magazine. After you have read the article fill out this sheet, front and back. This is worth 5 points towards your science grade and you can do one per week.

Title of Article: _____

Author: _____

Starting page _____ Ending page _____

What was the article about? Summarize the main points into one paragraph.

Who is involved in this article? A complete sentence for each main person/animal.

Where does this article take place?

When did this take place?

What questions do you still have about this topic? Also what questions did you have after reading the feature?

1. _____

2. _____

3. _____

Write down the science words that a person would have to know in order to understand this feature. After each word write what you think that word means.

Word	Meaning
------	---------

1. _____ =

2. _____ =

3. _____ =

4. _____ =

5. _____ =
