2A / 3A Community Forum - The West Valley School District Board of Directors is hosting a community forum on the topic of Interscholastic League Membership for the next two years. Currently, West Valley competes in the 3A Big Nine Athletic Conference. Our enrollment projection as well as the current projections in the area would put us in the position of moving from a 3A School to a 2A School for athletic competition. Anyone is welcome to attend a community forum on Monday, October 24th at 5:45 p.m. in the West Valley High School Auditorium. The forum will run for one hour. Regular School Board meeting will start at 7:00pm.
