Family Access

Parents/Guardians can now view their student's attendance, discipline, demographic, health, message center, and test scores online. Third thru Fifth graders can also view their grades. To find this site just log onto our district website at www.wvvsd.208.org, you can access it there or go to our Mountainview web page. You will need a user name and a password, if you did not receive your user name and password, please call our office and we can get that for you. On our webpage you will also find links to the Mustang Message and many other useful sites. Check us out!

High Quality Work

"Is it time to call Mr. Yuk?"

Calling all 6 to 12 year olds....Mr. Yuk needs your help! He is trying to keep homes safe from poisons. You can help him by drawing an "Is it time to call Mr. Yuk?" poster.

The Washington Poison Center is now accepting posters for its third statewide Mr. Yuk Poster Contest. Posters should be no larger than 8.5" x 11" on white paper and will be accepted until the post-marked date of February 1, 2009.

The purpose of the poster contest is to increase awareness of poison safety and the Poison Center number, 1-800-222-1222, through a creative and engaging activity with our youth. We hope every home will be a Mr. Yuk home.

First 100 posters received get a free Mr. Yuk t-shirt. One winner will be selected to get a visit by Mr. Yuk and a \$500 check card. Four finalists will also be chosen to receive a \$100 check card. The winning poster will be used as the official Washington State poster for Poison Prevention Week in March 2010 and will be displayed on billboards and posters throughout the state. The five final posters will be announced this March. Visit www.wapc.org for more information.
