

PURPOSE: The purpose of the Aversive Intervention Plan addendum is to uniformly address the conditional use of aversive interventions (see WAC 392-172A-03120 through -03135).

AVERSIVE INTERVENTION PLAN ADDENDUM

| | |
|---|---|
| Specify the aversive intervention(s) that may be used: | POINTS TO CONSIDER: <ul style="list-style-type: none">• Aversive interventions, to the extent permitted, should only be used as a last resort.• Positive interventions must be attempted and described in the IEP prior to the use of aversive interventions.• The IEP team must include a school psychologist and/or other certificated employee who understands the appropriate use of the aversive intervention(s). |
| State the reason(s) why the aversive interventions are judged to be appropriate and the behavioral objective sought to be achieved: | |
| Describe the positive interventions attempted and the reasons they failed, if known: | |
| Describe the circumstances under which the aversive intervention(s) may be used: | |
| Describe or specify the maximum duration of any isolation or restraint: | |
| Specify any special precautions that must be taken in connection with the use of aversive intervention techniques: | |
| Specify the person(s) permitted to use the aversive intervention(s), and the current qualifications and required training of the personnel permitted to use the aversive interventions: | |
| List the means of evaluating the effects of the use of the aversive interventions and a schedule for periodically conducting the evaluation: | |
