

## **Conflicts of Interest**

Before the School Board approves a contract in which a Director is beneficially interested, the Director must disclose their interest to the Board, and the Director's interest must be noted in the official minutes.

Whenever a Director or their spouse is employed by the District, the Director will refrain from participating in or attempting to influence any Board action affecting the employment status of the Director or their spouse.

The School Board will receive training on Policy 1610 Conflicts of Interest, every other year, on odd-numbered years, beginning with 2023.
