Workers' Compensation

West Valley School District is insured through ESD 105 Workers Comp Pool to provide industrial insurance benefits to employees who sustain job-related injuries or occupational diseases. This trust has been approved by the Washington State Department of Labor and Industries to administer industrial insurance benefits. Employees of a self-insured business have the same rights and responsibilities as other workers insured through the State of Washington, Employees are protected in two ways:

- A. Medical costs resulting from job-related injuries or diseases are paid under the claim; and
- B. Injured employees are paid a partial wage replacement while off work due to a job-related injury or disease under the claim when certified off work by their doctor.

When an employee is injured on the job and is unable to perform his or her duties as a result of an on-the-job injury or occupational disease and certified off work by a doctor, the employee may elect to use leave as follows (provided the employer does not elect to keep the employee on full salary through means other than use of accrued leave):

- A. Choose unpaid leave thus receiving only his or her entitled temporary total disability (TTD) benefits, or
- B. Elect to use a full day of accumulated leave (sick, annual or other similar benefit) in addition to their entitled TTD benefits, or
- C. Elect to use a proportionate share of accumulated leave to make up the difference between the workers' compensation payments and the employee's regular pay at the time of injury.

The district will deal fairly with employees and give equal consideration to their interests regarding industrial insurance benefits.

Medical Insurance

Per state law, the district will offer eligible employees all benefits offered by the School Employees Benefits Board (SEBB), administered by the Washington State Health and Care Authority (HCA). The district will pay the employer contributions to the HCA for SEBB insurance coverage for all eligible employees and their dependents as mandated by state laws and the rules promulgated by the HCA.

When a staff member is on leave and the staff member's accumulated paid leave has been exhausted, the district shall notify the staff member that the medical insurance benefits are exhausted and the premium is due. The district shall accept the premium from the staff member and remit it to the carrier each month during the term of an approved leave of absence.

In compliance with COBRA (Consolidated Omnibus Budget Reconciliation Act), the district will offer continuing health care coverage on a self-pay basis to staff members and their dependents following termination (for reasons other than gross misconduct), a reduction in hours, retirement, death, or loss of coverage eligibility to the dependent. These health benefits will be identical to the coverages offered to full-time staff members. For terminated or reduced-hour staff members, the coverage may last up to 18 months or until

they become eligible for other health insurance, whichever is earlier. In the event of the staff member's retirement, divorce, separation or death, or loss of dependent eligibility the coverage may last up to 36 months for the staff member and/or qualified beneficiary.
